

A vibrant turquoise bird with a black head and a yellow beak is perched on a branch with small yellow berries. The bird is facing right, and its feathers have a shimmering, iridescent quality. The background is a soft-focus green, suggesting a natural habitat. The entire image is framed by a light blue border with white decorative lines.

Bird List
By Ernesto M. Carman

C=Common; one or a few are recorded daily
 U=Uncommon; one or a few are seen at frequent intervals
 R=Rare; seen or heard regularly at longer intervals in small numbers.

M= Migrant

S in front of status indicates seasonal occurrence.

Z= Casual/Accidental SC> Seasonally Common

TF: Tropical Forest (250 msnm)

CF: Cloud Forest

Family	Taxa	English	TF	CF
Tinamidae	<i>Tinamus major</i>	Great Tinamou	R	C
